Italian Potluck: Bring an Italian dish from your family's heritage to share!

The event is open to the public, but registration is required and limited.

We invite attendees to bring traditional Italian dishes that showcase their family recipes.

Please sign up at dantemichigan.org and tell us what dish you'll share.

Please label your dish with the name and any potential allergens.

This year's theme aims to showcase **Italian cuisine** by emphasizing its **traditions** and the recognized role of the Mediterranean Diet in promoting **health** within the context of a healthy, balanced, and **sustainable** lifestyle.

Traditions will be prioritized in synergy with the Roots Tourism program, which aims to highlight our communities abroad' role in spreading Italy's agri-food heritage worldwide.

The **Extraordinary Italian Taste**, an extraordinary plan to support the Made in Italy brand's internationalization and promote High Italian Cuisine (Alta Cucina Italiana)
